

GNBKids.com Step-by-Step Camera Viewer Installation Instructions for Windows Vista Users

1. Click on the viewer installation link located on the GNBKids.com camera login page.

Great New Beginnings

Home | About GNB | All About Our Program | Parents | Kids' Links | Parents' Login | Contact Us

To view cameras, please login below.

USERNAME

PASSWORD

If you are running the Windows Vista operating system, you must download and install the updated viewer software below in order to successfully view the camera images on your computer.

Click [here](#) to see the step by step instructions (PDF).
If you do not have a PDF viewer already installed on your computer, click [here](#) to install Adobe Acrobat Reader.

Click [here](#) to download and install the updated camera viewer software for Windows Vista users.

2. On the “File Download – Security Warning” window that appears, click on the “Run” button. Please note that the “From” value should read “www.gnbkids.com”.

The screenshot shows the Great New Beginnings website interface. At the top, there is a yellow navigation bar with the site logo and a menu including Home, About GNB, All About Our Program, Parents, Kids' Links, and Parents' Login. Below the navigation bar, the main content area is white with a green border. A login prompt reads "To view camers, please login below." followed by input fields for USERNAME and PASSWORD. A "File Download - Security Warning" dialog box is open in the center, displaying the following information:

Do you want to run or save this file?

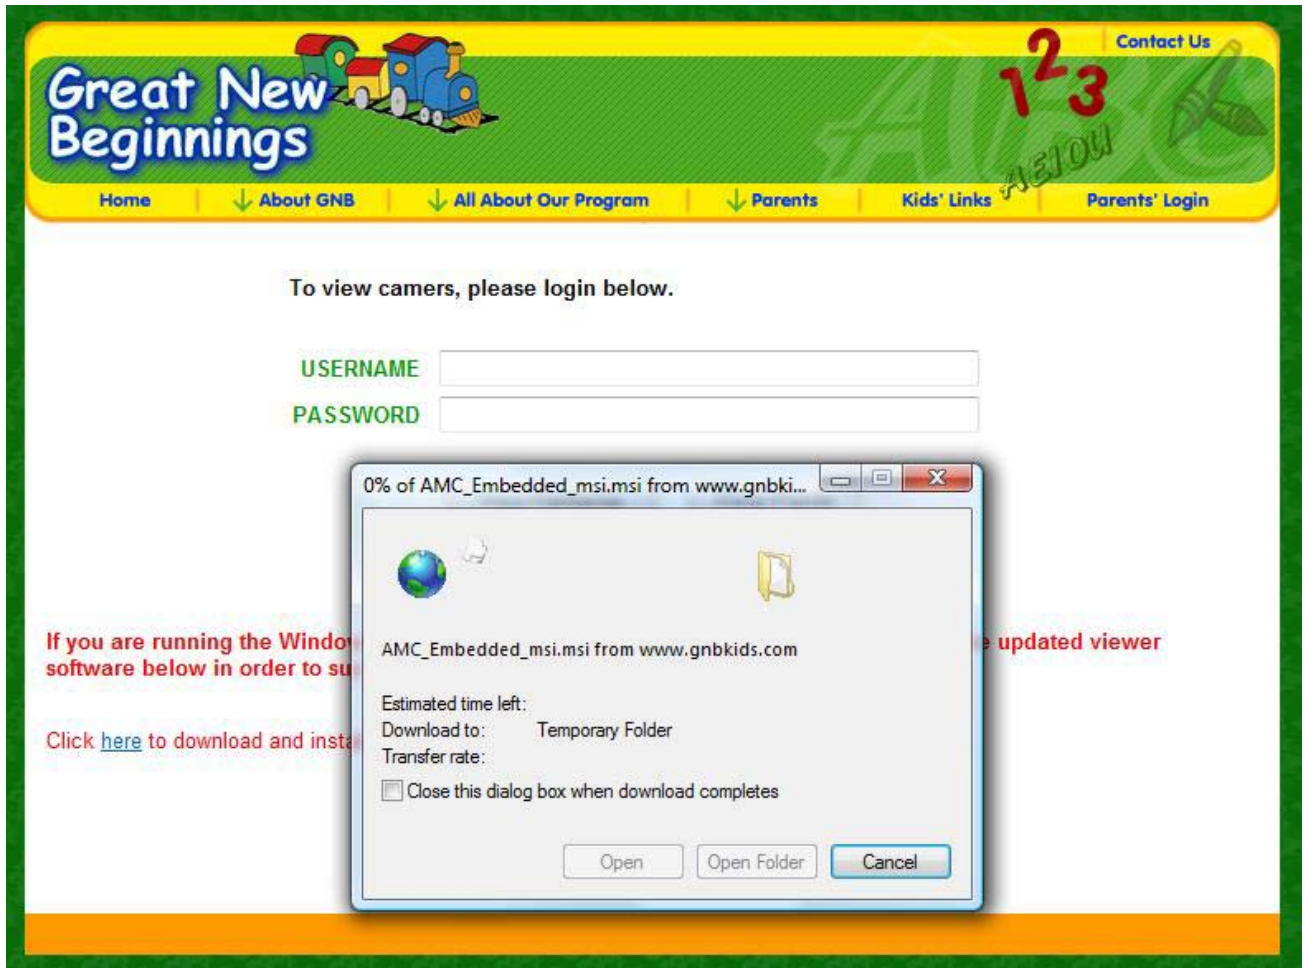

Name: AMC_Embedded_msi.msi
Type: Windows Installer Package
From: www.gnbkids.com

Buttons: Run, Save, Cancel

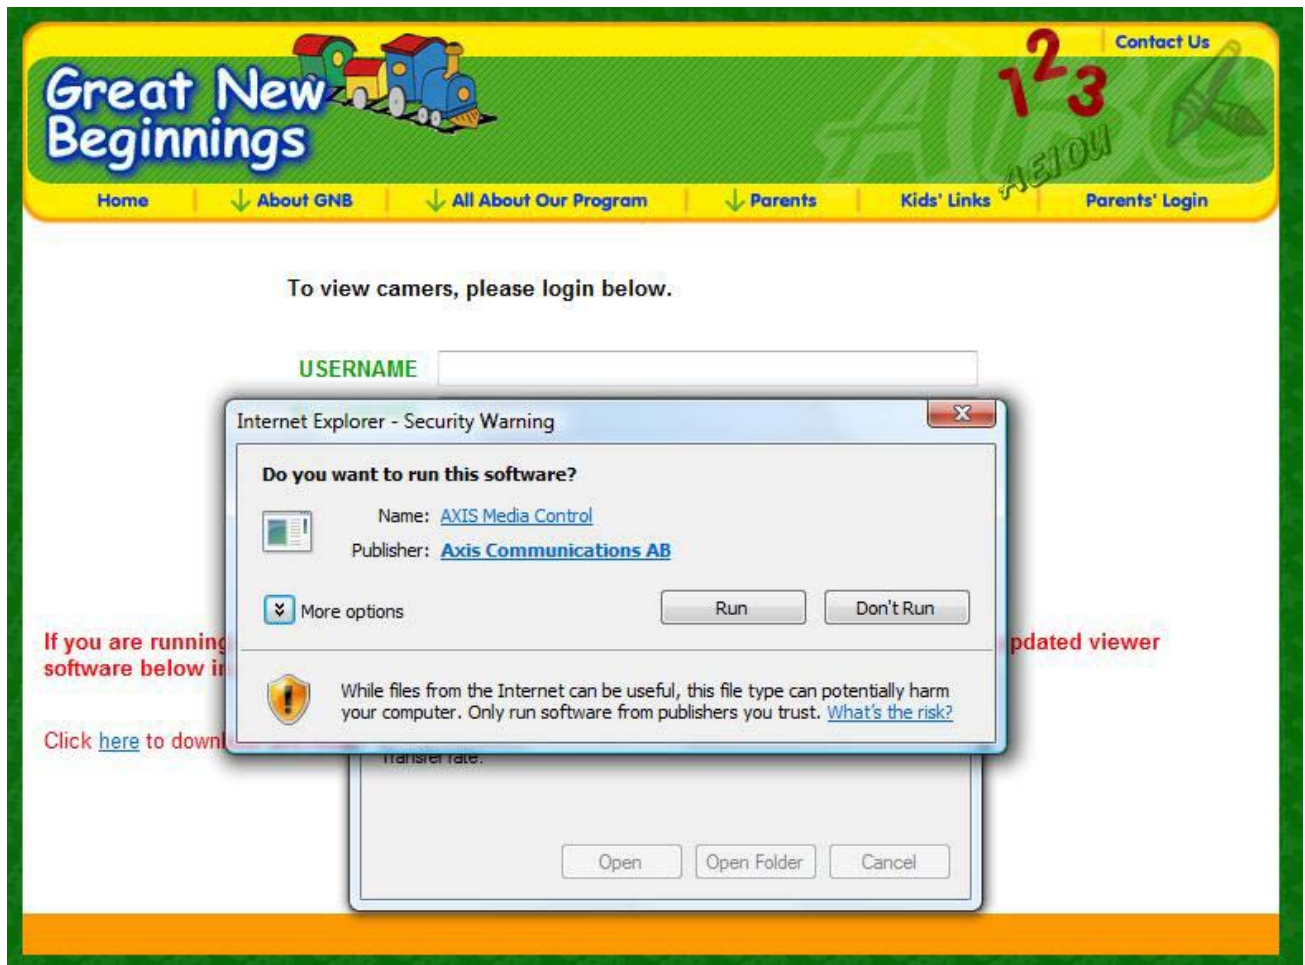

Warning text: While files from the Internet can be useful, this file type can potentially harm your computer. If you do not trust the source, do not run or save this software. [What's the risk?](#)

Red annotations on the screenshot include "If you are running the Windows software below in order to" on the left and "updated viewer" on the right, both pointing towards the dialog box.

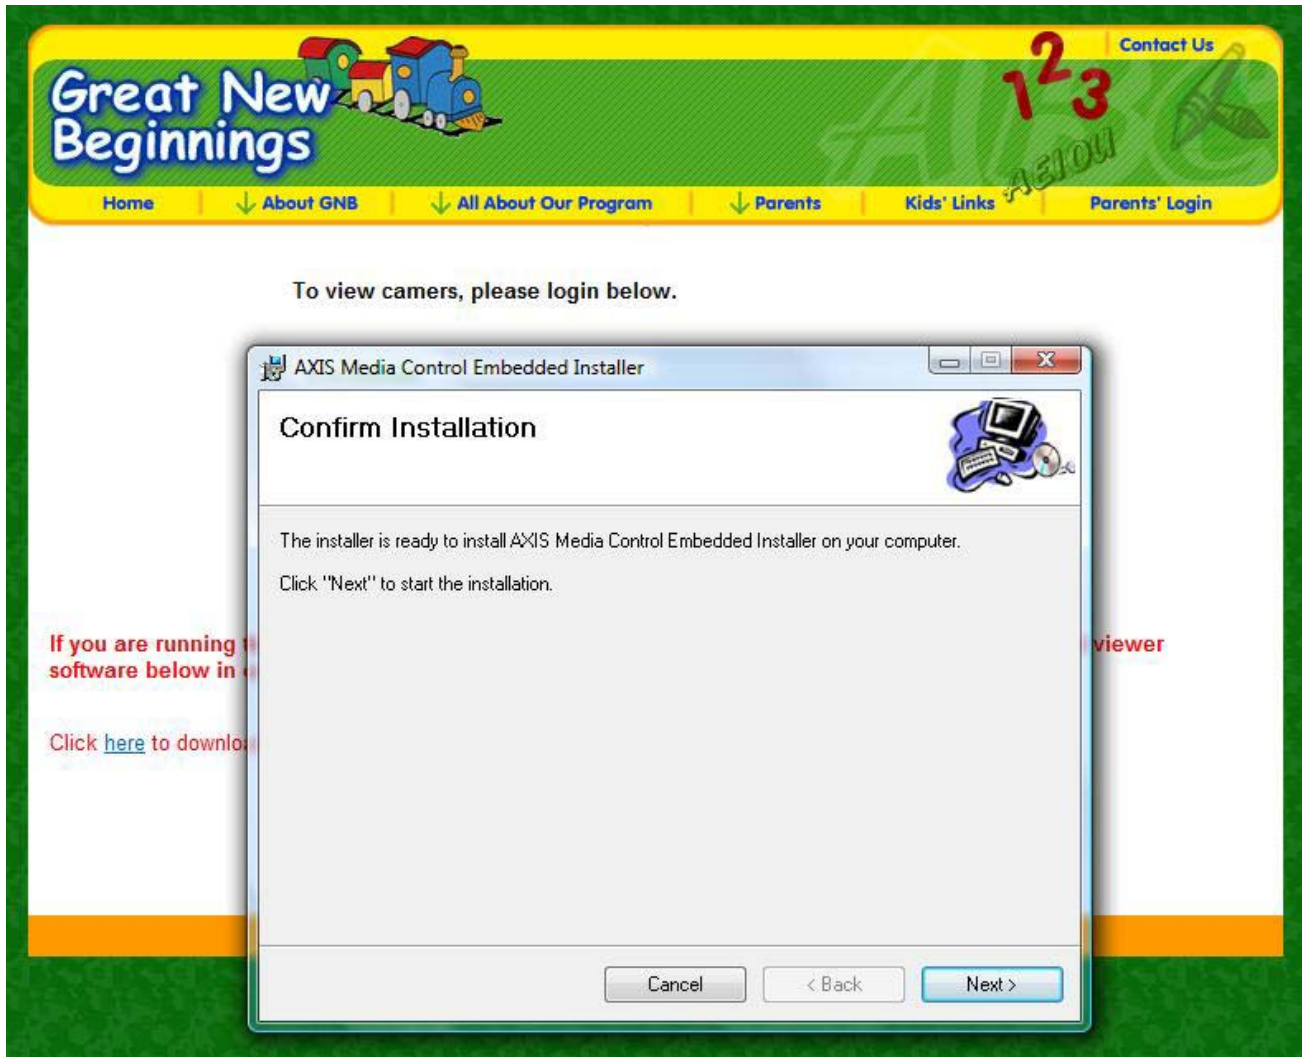

3. The download progress window will appear next showing the percentage of completion for the download.

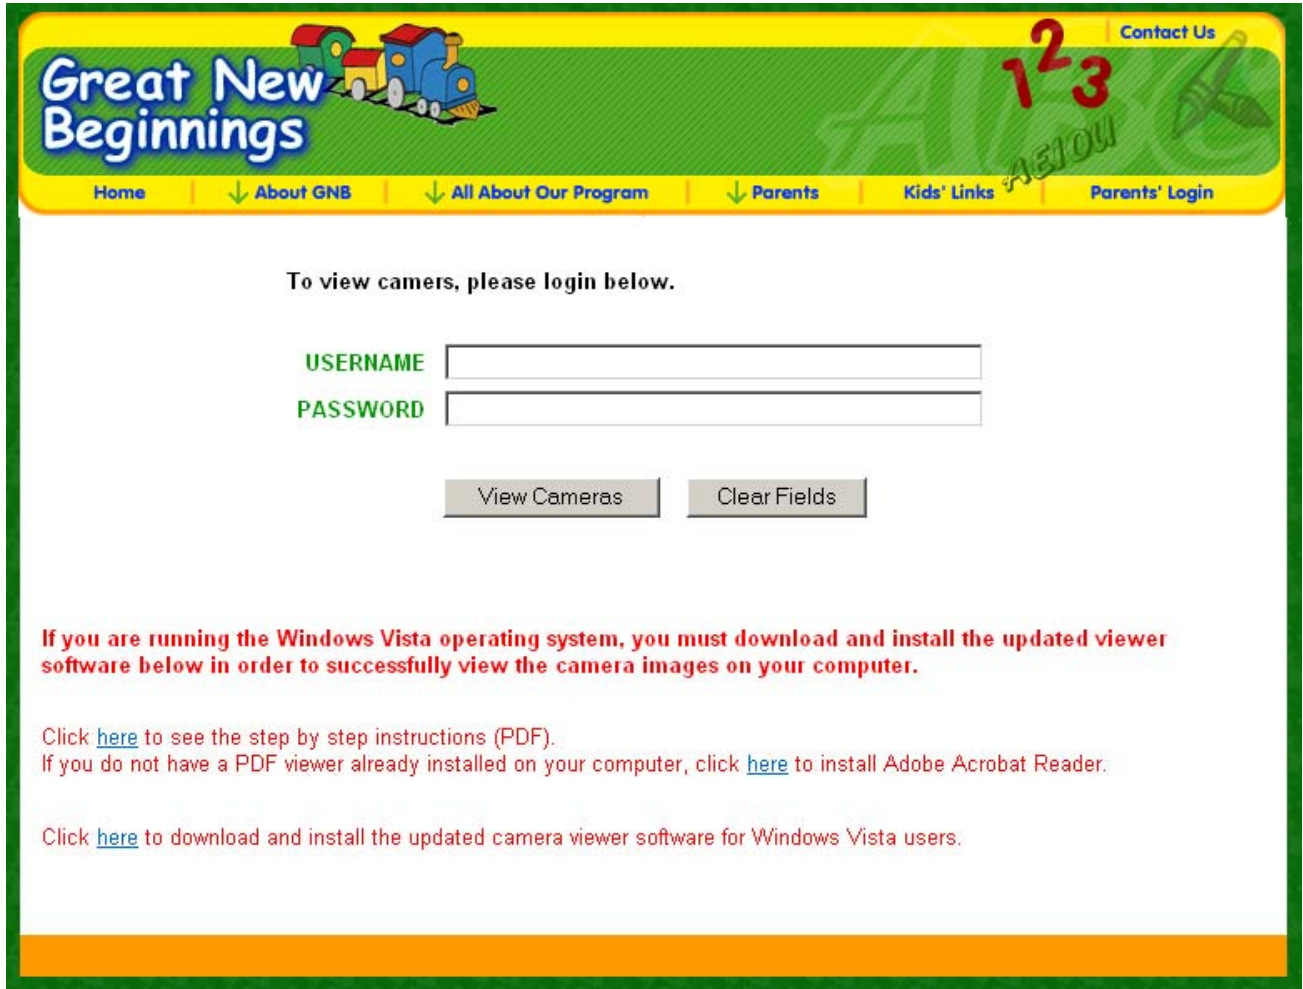

4. When the download is complete, another Security Warning window will appear asking “Do you want to run this software?” The Name and Publisher (Axis) should appear as shown in the image below. Select the “**Run**” button from this window.

5. The next window to appear will be the “AXIS Media Control Embedded Installer” window. From this point forward, please follow the on-screen instructions to complete the installation process.

- Once the installation has completed, the install windows will clear and you will be returned to the GNBKids.com camera login page. A computer restart should not be required, however, if you are prompted to do so please restart your computer before logging into the GNBKids.com camera section.

The screenshot shows the GNB Kids website camera login page. At the top, there is a yellow and green header with the logo "Great New Beginnings" and a cartoon train. To the right of the logo are the numbers "123" and the word "ALPHABET" with a pencil icon. Below the header is a navigation bar with links: Home, About GNB, All About Our Program, Parents, Kids' Links, and Parents' Login. The main content area has the text "To view cameras, please login below." followed by two input fields labeled "USERNAME" and "PASSWORD". Below the fields are two buttons: "View Cameras" and "Clear Fields". At the bottom, there is a red warning message: "If you are running the Windows Vista operating system, you must download and install the updated viewer software below in order to successfully view the camera images on your computer." Below this message are three lines of text with blue hyperlinks: "Click here to see the step by step instructions (PDF).", "If you do not have a PDF viewer already installed on your computer, click here to install Adobe Acrobat Reader.", and "Click here to download and install the updated camera viewer software for Windows Vista users."

- Proceed with your login using your supplied Username and Password.

Should you have any concerns or questions, please contact the GNB office.

Thank you.
